Instructions/Check list/Guidelines for filling Individual Application Form

Self-Certification of documents is mandatory.

The generation of KYC number/identifier will be performed by the Bank subject to availability of necessary technology.

Clarification/Guidelines on filling details for CRS purposes.

Reason A: The country where I am liable to pay tax does not issue TINs to its residents.

Reason B: The accountholder is otherwise unable to obtain a TIN or equivalent number. (Please explain why you are unable to obtain a TIN in the below table if you have selected this reason.)

Reason C: No TIN is required.

(Note: Only select this reason if the authorities of the country of tax residence entered in the table do not require the TIN to be disclosed.)

Appendix – Definitions

Note: These are selected definitions provided to assist you with the completion of this form. Further details can be found within the Income Tax Rules, 1961 and OECD Common Reporting Standard for Automatic Exchange of Financial Account Information (the CRS), the associated commentary to the CRS, and domestic guidance. This can be found at the following link www.oecd.org/tax/automatic-exchange/

If you have any questions then please contact your tax adviser or domestic tax authority.

Tax Identification Number (TIN): TIN (including functional equivalent) – The term TIN means Taxpayer Identification Number assigned to a person in the country or territory in which he is resident for tax purposes and includes a functional equivalent in case no such number is assigned. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the following link www.oecd.org/tax/automatic-exchange/

Some jurisdictions do not issue a TIN. However, these jurisdictions often utilise some other high integrity number with an equivalent level of identification (a functional equivalent). Examples of that type of number include, for individuals, a social security/insurance number, citizen/personal identification/service code/number, and resident registration number, PAN (Permanent Account number) and resident registration number.)

Accountholder – The term ‘accountholder’ means the person listed or identified as the holder of a Financial Account by the financial institution that maintains the account.

CKYCR – Central KYC Registry.

Controlling Person – This is a natural person who exercises control over an Entity and includes a beneficial owner as determined under sub-rule (3) of rule 9 of the Prevention of Money-Laundering (Maintenance of Records) Rules, 2005.

In determining the beneficial owner, the procedure specified in the following circular as amended from time to time shall be applied, namely:

- i. DBOD.AML.BC. No.71/14.01.001/2012-13, issued on 18 January 2013 by the Reserve Bank of India; or
- ii. CIR/MIRSD/2/2013, issued on 24 January 2013 by the Securities and Exchange Board of India; or
- iii. IRDA/SDD/GDL/CIR/019/02/2013, issued on 4 February 2013 by the Insurance Regulatory and Development Authority.

In the case of a trust, the Controlling Person means the settlor, the trustees, the protector (if any), the beneficiaries or class of beneficiaries, and any other natural person exercising ultimate effective control over the trust, and in the case of a legal arrangement other than a trust, the said expression means the person in equivalent or similar position.

Where an Entity accountholder is treated as a Passive Non-Financial Entity (NFE) then a Financial Institution must determine whether such Controlling Persons are Reportable Persons. If the account is maintained for an Entity of which the individual is a Controlling Person, then the ‘Controlling Person tax residency self-certification’ form should be completed instead of this form.

Entity – The term ‘Entity’ means a legal person or a legal arrangement, such as a corporation, organisation, partnership, trust or foundation.

FATCA – Foreign Account Tax Compliance Act

Financial Account – A ‘Financial Account’ is an account maintained by a Financial Institution and includes: Depository Accounts; Custodial Accounts; Equity and Debt interest in certain Investment Entities; Cash Value Insurance Contracts; and Annuity Contracts.

Reportable Account – The term ‘Reportable Account’ means an account held by one or more Reportable Persons or by a Passive NFE with one or more Controlling Persons that is a Reportable Person (relevant extract for CRS).

Reportable Person

Reportable person means,

- (a) one or more persons other than,
 - i. a corporation, the stock of which is regularly traded on one or more established securities markets;
 - ii. any corporation that is a related Entity of a corporation mentioned in item (i);
 - iii. a Governmental Entity;
 - iv. an International organization;
 - v. a Central bank; or
 - vi. a financial institution,

that is a resident of any country or territory outside India (except the United States of America) under the tax laws of such country or territory or an estate of a decedent who was a resident of any country or territory outside India (except the United States of America) under the tax laws of such country or territory; (relevant extract for CRS).

Dual resident individuals may rely on the tiebreaker rules contained in tax conventions (if applicable) to solve cases of double residence for purposes of determining their residence for tax purposes.
