Instructions/Check list/Guidelines for filling Individual Application Form

Self-Certification of documents is mandatory.

The generation of KYC number/identifier will be performed by the Bank subject to availability of necessary technology.

Clarification/Guidelines on filling details for CRS purposes.

Reason A: The country where I am liable to pay tax does not issue TINs to its residents.

Reason B: The accountholder is otherwise unable to obtain a TIN or equivalent number. (Please explain why you are unable to obtain a TIN in the below table if you have selected this reason.)

Reason C: No TIN is required.

(Note: Only select this reason if the authorities of the country of tax residence entered in the table do not require the TIN to be disclosed.)

Appendix – Definitions

Note: These are selected definitions provided to assist you with the completion of this form. Further details can be found within the Income Tax Rules, 1961 and OECD Common Reporting Standard for Automatic Exchange of Financial Account Information (the CRS), the associated commentary to the CRS, and domestic guidance. This can be found at the following link www.oecd.org/tax/automatic-exchange/
If you have any questions then please contact your tax adviser or domestic tax authority.

Tax Identification Number (TIN): TIN (including functional equivalent) – The term TIN means Taxpayer Identification Number assigned to a person in the country or territory in which he is resident for tax purposes and includes a functional equivalent in case no such number is assigned. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the following link: www.oecd.org/tax/automatic-exchange/

Some jurisdictions do not issue a TIN. However, these jurisdictions often utilise some other high integrity number with an equivalent level of identification (a functional equivalent). Examples of that type of number include, for individuals, a social security/insurance number, citizen/personal identification/service code/number, and resident registration number, PAN (Permanent Account number) and resident registration number.)

Accountholder – The term 'accountholder' means the person listed or identified as the holder of a Financial Account by the financial institution that maintains the account.

CKYCR – Central KYC Registry.

Controlling Person – This is a natural person who exercises control over an Entity and includes a beneficial owner as determined under sub-rule (3) of rule 9 of the Prevention of Money-Laundering (Maintenance of Records) Rules, 2005.

In determining the beneficial owner, the procedure specified in the following circular as amended from time to time shall be applied, namely:

- i. DBOD.AML.BC. No.71/14.01.001/2012-13, issued on 18 January 2013 by the Reserve Bank of India; or
- ii. CIR/MIRSD/2/2013, issued on 24 January 2013 by the Securities and Exchange Board of India; or
- iii. IRDA/SDD/GDL/CIR/019/02/2013, issued on 4 February 2013 by the Insurance Regulatory and Development Authority.

In the case of a trust, the Controlling Person means the settlor, the trustees, the protector (if any), the beneficiaries or class of beneficiaries, and any other natural person exercising ultimate effective control over the trust, and in the case of a legal arrangement other than a trust, the said expression means the person in equivalent or similar position.

Where an Entity accountholder is treated as a Passive Non-Financial Entity (NFE) then a Financial Institution must determine whether such Controlling Persons are Reportable Persons. If the account is maintained for an Entity of which the individual is a Controlling Person, then the 'Controlling Person tax residency self-certification' form should be completed instead of this form.

Entity – The term 'Entity' means a legal person or a legal arrangement, such as a corporation, organisation, partnership, trust or foundation.

FATCA – Foreign Account Tax Compliance Act

Financial Account – A 'Financial Account' is an account maintained by a Financial Institution and includes: Depository Accounts; Custodial Accounts; Equity and Debt interest in certain Investment Entities; Cash Value Insurance Contracts; and Annuity Contracts.

Reportable Account – The term 'Reportable Account' means an account held by one or more Reportable Persons or by a Passive NFE with one or more Controlling Persons that is a Reportable Person (relevant extract for CRS).

Reportable Person

Reportable person means,

- (a) one or more persons other than,
 - i. a corporation, the stock of which is regularly traded on one or more established securities markets;
 - ii. any corporation that is a related Entity of a corporation mentioned in item (i);
 - iii. a Governmental Entity;
 - iv. an International organization;
 - v. a Central bank; or
 - vi. a financial institution,

that is a resident of any country or territory outside India (except the United States of America) under the tax laws of such country or territory or an estate of a decedent who was a resident of any country or territory outside India (except the United States of America) under the tax laws of such country or territory; (relevant extract for CRS).

d) Interest-free (grace) period

Cardholders can get up to 45 or 52 days free credit (depending upon the card type) without any finance charge levied to the credit card account. This is applicable provided the credit card outstanding, as shown on monthly credit card statement, is settled fully by the payment due date. However, the free credit period will not be applicable for Cash Advance transactions.

e) Finance charges

- Cardholders can avail of the 'extended credit facility' by paying the Minimum Payment Due (MPD) indicated in the monthly credit card statement. The MPD is calculated as 5% of the total payment due of the statement plus greater of Past Due amount or Overlimit amount (if any). Interest will be charged on the extended credit as per terms and conditions
- If Cardholders avail of the extended credit facility by paying an amount less than the statement closing balance, the entire outstanding amount will attract a finance charge from the respective date of transaction at the prevailing rate. All new transactions will also attract a finance charge from the respective date of transaction
- All cash advance transactions will attract a finance charge at the prevailing rate from the date of withdrawal until the entire amount along with the charges are cleared
- Finance charges are computed from date of transaction at the prevailing rate mentioned in the tariff sheet or at such modified rates as decided by Bank from time to time

f) Late payment fee

Late payment fee (Charged if the minimum amount due is not credited in the card by the payment due date) is 100% of the Minimum Payment Due (MPD) - Subject to minimum fees of ₹250 and maximum fees of ₹950 per month. Please note that the Late Payment Fees is levied only if the Minimum Payment Due is not paid by the due date.

Illustrative examples of how Late Payment Charges are calculated -

Assume you receive a statement for the period 16 October - 15 November, with a payment due date of 7 December. Payment of Minimum Payment Due (MPD) is required to be received in the card account by the payment due date (7 December) to ensure that no late payment fees are levied. Late payment fees will be levied as per the illustration in the table given below:

MPD (₹)	Late payment charges (₹)	Description
100	250	100% of MPD i.e. on ₹100 is ₹100. Since the minimum fee is ₹2,500, the late payment fee levied will be ₹250.
250	250	100% of MPD i.e. on ₹250 is ₹250, hence the late payment fees levied would be ₹250.
500	500	100% of MPD, i.e. ₹500 is ₹500, hence the late payment fees levied would be ₹500.
1,000	950	100% of MPD, i.e. on ₹1,000 is ₹1,000. Since maximum fee is ₹950, the late payment fee levied would be ₹950.

2. CREDIT LIMITS

- The credit limit and cash withdrawal limit (Up to 20% of credit limit or as decided by the Bank from time to time) are communicated to you in your monthly card statement. The available credit limit is provided as part of the monthly statement. The Bank reserves its right to reduce the credit limit. Usage of the card shall be deemed as acceptance of the credit limits granted from time to time
- Credit limit is the maximum amount, which can be outstanding against the credit card account at any given time
- In case the total outstanding exceeds the credit limit, all purchases/cash transactions initiated beyond this limit will be declined till the credit card account is funded fully or partly
- The credit limit approved on the account is shared between the primary Cardholder and the add-on Cardholders
- The available credit limit on the credit card account is the assigned credit limit less the 'Total Amount Due'. The Cardholder should refer to the Bank to ascertain the available credit limit at any point in time
- The Cardholder may apply for a review of his assigned credit limit at any time after six months of satisfactory credit card operations

3. BILLING AND PAYMENTS

- With effect from 05 August 2013 we wish to inform that the payment allocation logic (i.e. 'Payment Hierarchy') towards payment made to the credit card account is being revised. In the revised 'Payment Hierarchy', allocation will first happen to the extent of Minimum Payment Due, first by the following 'plans' i.e. EMI, cash advances, purchase outstanding and balance transfer in descending order of interest rates, and within a given 'plan', the payment will be allocated in a predefined order of (1) Service Charges, (2) Finance Charges, (3) Late payment charges (4) Annual fee and

- (5) Other fees. The excess payment (if any) over and above minimum payment due will be allocated in same hierarchy as defined above.
- b) When the credit card account has an outstanding balance, HSBC will send a monthly itemised statement of account at the mailing address indicating the payments credited and the transactions debited to the Cardholder's account since the last statement. Non-receipt of statement would not affect the Cardholder's obligations and liabilities.
 - c) Cardholders may choose to pay only the Minimum Payment Due, as printed on the statement, and such payment should be sent before the payment due date, which is also printed on the statement. If payment is made by cheque, the funds must be realised in the card account by the due date. The outstandings carried forward will attract a finance charge at the prevailing rate mentioned in the tariff sheet or as decided by the Bank from time to time.
 - d) Cardholders can choose from following modes of payment to settle monthly dues:

If the Cardholder fails to notify the Bank within 30 (thirty) days, the statement of account and all entries therein, will be conclusive evidence of the correctness of the contents and binding upon the Cardholder and/or any person claiming under or through such Cardholder without the requirement for any further proof and the Bank will be released from all liability for any transaction (including all charges, damages and losses of any kind whatsoever, taxes, levies, fines, fees or penalties suffered and/or incurred) occurring up to the date of the most recent statement of account, except for transactions the Cardholder gave notice of in accordance with this section
